

# TRADING AT NAS EVENTS 2018

The 2018 VW events season is almost upon us - what is that going to mean to this season's VW events?

We are sure that you will have a view on how trading conditions have been over the last two or three years. Thankfully, recent show seasons in general appeared to be very buoyant.

Every event we have ever held, over 30 years, has seen traders attend and make money. Every time someone has a good show it has been because they had the right products, at the right price. If you have that, then we would love to see you trading at NAS Events shows during 2018.

For our part, we are confident that in their sector, NAS Events shows are *must do events* for many enthusiasts, and expect our attendances to hold up well. Our experience through 2017 was that whatever else people gave up for economic reasons, it wasn't attending VW Action - the show saw increased attendances and was very well received. Both of the GTI Festivals were well attended too,

The 2018 GTI Spring Festival will be held on Sunday 22nd April, and has developed appeal to all enthusiasts of Skoda, SEAT, and Audi as well as the ubiquitous VW. It also features a 'show within a show', in the form of GIRLZ N DUBS, which has activities and show classes exclusively for female VDub lovers. On top of the **NOW REDUCED TRADE PLOT PRICES** - everyone booking a trade pitch at the GTI Spring Festival will automatically qualify for a **50% discount** off trade stand charges at the GTI Festival 'Season Finale'. Please call 01279 725252 for any further clarification. The second GTI date of 2017, the GTI Festival 'Season Finale' will be held on Sunday 14th October, and will be our final event of the year.

VW Action 2017 was once again nothing short of an exceptional event, and has truly found a new home at Santa Pod. Different to the other Santa Pod VW shows, Action, being held almost entirely on the *greenfield* side of the site, actually feels a great deal like all other Action events of the last 20 years, but with a dragstrip 'next door'. All in all, VW Action is one of the very best family VW events in Europe, and 2018's event is scheduled for 31st August - 2nd September - please note this year's event will be heavily advertised. It is the most unmissable of all NAS Events Shows for 2018.

## SPONSOR THE NIGHT RACING AT VW ACTION FOR JUST £100

The last few years has seen the VW Night Racing at VW Action 'sponsored' by kind individuals and companies (and we add to the pot ourselves.) The prize fund is divided up between the 10 Quickest VW Cars (aircooled and watercooled) 5 Quickest VW Buses/Vans and 5 Quickest A/E Vehicles to run in the night session. Every penny goes to the racers. For just £100 you can have your company (or yourself) name-checked as a kind sponsor, on the VW Action website, our busy FaceBook page, several VW Forums, in all press releases to the magazines, the printed event programme and over the P.A. system at the event itself - plus you get that warm glowy feeling of knowing you've 'given something back'. The invoice/payment is totally tax-deductible too as 'advertising'. So, please think about supporting this element of the show. Please call 01279 725252 or email nasevents@orange.fr for any further clarification.

Here's to a busy and profitable 2018 for all.

**1. TICKET ALLOCATION** – the number of passes are set out on the Trade Booking Form. Any trader using a pass for any other reason than entry for trading will be asked to leave the site immediately. This includes the ‘selling on’ of tickets. All ticket numbers are noted. Extra tickets can be purchased at a discounted rate at the time of booking subject to a maximum of two extra tickets per stand. Should you require us to hold your passes for collection on arrival, please inform us when booking.

**2. VEHICLES** - All vehicles must be parked within the trade stand and all/any extra vehicles will be directed to the one day parking area.

**3. TRADE PITCH** – Where trade stands at Santa Pod Raceway are sited on a tarmac surface, no stakes can be used - only weights. Stakes are acceptable on trade stands on grassed areas (as per VW Action.) Trade stand prices are for frontage quoted with a standard depth of 10 metres. No trade pitches will be allocated until payment has been received in full.

**4. TRADING LEGISLATION** – The applying of companies’ names and trademarks on goods or supplying goods without authorisation or consent is an offence under the Trade Description Act 1968.
